

For Immediate Release

City Telecom Analyst Event 2011

(Hong Kong, 30 March 2011) At City Telecom (H.K.) Limited (HKEX: 1137, NASDAQ: CTEL), we believe transparency is key to our investors engagement efforts. Our Analyst Event held from 28 to 29 March 2011 opened up our executives and operations via unscripted management discussions, vendor presentations, site and operational visits, and group visit to the regulator.

NiQ Lai, CFO and Head of Talent Engagement for City Telecom said, “We suspect that our distinct corporate culture is not right for the majority of investors, but believe that a small minority will share our passion to create long term value by making Hong Kong a better place. We hope to seek out these investors globally and invite them to join our 10-year Big, Hairy, Audacious Goal to become the largest IP provider in Hong Kong by 2016.”
